## PROFESSIONAL SUMMARY

AI-Native Operations & Supply Talent Acquisition Consultant with 2+ years of experience across US enterprise accounts, Indian MNCs, and internal hiring. Uses Claude, Gemini, and Lovable to build custom tools and automate talent pipelines, resulting in a 30% reduction in turnaround times. Vetted and managed a 1,000+ creator pool while driving data-backed efficiencies with SQL, Power BI, and AI-driven workflows.

## WORK EXPERIENCE

**Creative Talent Acquisition & Operations Consultant, Pepper Content (U.S. Accounts)** | Nov 2024 – Present

*Pepper is an AI-native B2B marketing platform that combines expert talent with custom AI agents to scale content and organic growth.*

- **AI-Automated Talent Sourcing:** Automated end-to-end talent sourcing workflows using Claude Co-Work, Claude, and Gemini, accelerating candidate discovery and onboarding top-tier US creative talent (writers, editors, designers, SEO consultants) across BFSI, SaaS, AI-native, and HRTech sectors.
- **Low-Code App Development & Workflow Automation:** Built custom internal automation applications using Lovable and LLM tools to streamline creator onboarding, process SOPs, and content delivery—cutting project turnaround times (TAT) by 30%.
- **Enterprise Supply & Internal Hiring Operations:** Managed and vetted a high-performing supply network of 1,000+ creators for US and Indian enterprise accounts; extended operational scope to support internal talent acquisition and team scaling initiatives.
- **Revenue Enablement & Cross-Functional Alignment:** Partnered with Sales to showcase talent network capabilities and data metrics for high-stakes pitches, contributing to new B2B account wins; collaborated with Marketing and Analytics to launch campaigns that grew engagement by 40%.
- **Operations Analytics & SOP Standardization:** Developed scalable operational documentation, quality style guides, and performance tracking models in SQL and Power BI to maintain high supply retention and zero-defect execution across tight delivery windows.
-  **Recognition:** Awarded Employee of the Quarter (×2) for outstanding ownership, operational innovation, and AI-driven process improvement.

**HR Operations Intern, Global Quest Technologies** | Mar 2024 – Apr 2024

- Built and maintained pipeline trackers in Excel; supported data entry, analytics, and structured reporting for the HR team.
- Designed and delivered a full-day training session for incoming interns, translating operational workflows into clear, documented processes.

**Student Coordinator, Placement Cell, MS Ramaiah College** | Nov 2023 – Mar 2024

- **Managed the end-to-end campus placement pipeline:** Tracked conversion metrics, produced status reports for faculty leadership, and coordinated with corporate HR teams across companies.

## EDUCATION

**Bachelor of Business Administration (BBA), MS Ramaiah College of Arts, Science and Commerce, Bangalore**

Sep 2024 | CGPA: 8.2 | Specialization in HRM and SCM

- Awarded "**Fresher of the Year**" for outstanding all-around academic and co-curricular performance.

- **Varsity Football Captain:** led the college team in high-stakes matches; selected for the Karnataka State Football Selection Trials.

**Class X & XII (Commerce), Kendriya Vidyalaya, IIT Powai, Mumbai | CBSE**

- Represented school at Ek Bharat Shreshtha Bharat as a on Stage singer (Odia), mastering a non-native language to deliver an authentic cultural performance.
- Competed in the Reliance Foundation Youth Sports (RFYS) tournament and cluster-level school football.
